HxCare: Specific Terms

1   **General**

1.1   HxCare is a Software product allowing care homes to replace paper-based medication administration records (MAR charts) with digital ones (eMAR).

1.2   All defined terms used in these Specific Terms shall, unless specifically stated otherwise, have the meaning given in the Conditions.

1.3   All rules of interpretation in the Conditions apply to these Specific Terms for the HxCare product (**HxCare**).

2   **Software**

2.1   Initial Term: as set out in the Order Form.

2.2   Cloud-based Software licensed by PSL to the Customer on a non-exclusive basis for the Initial Term and any Renewal Terms.

2.3   There are three parts to the Software: a mobile application, used by those delivering care; a web portal for care homes to manage HxCare set up and administration and a web portal for use by the pharmacy/pharmacies supplying the care home.

3   **Third Party Software**

3.1   Third Party Software incorporated in or forming a part of the Software and as subject to change from time to time.

4   **Services**

4.1   Provision for data backup, consultancy, training, installation, development or otherwise as set out in the Order Form.

4.2   Training will be provided as part of the Services, as detailed in the Order Form.

5   **Charges**

5.1   A one-off set-up fee is payable for the Software which includes training.

5.2   A monthly Licence charge is applicable per site as set out in the Order Form.

5.3   A monthly fee per registered bed is charged as set out in the Order Form.

5.4   All Charges are payable upfront.

6   **Hardware**

6.1   No Hardware is supplied.

7   **Network Connections**

7.1   No Network Connections are provided.
